Log in to your MDConnect student center:

You will notice that you have “holds” that state SDB Student required info.

You may click on the hold for details:

Proceed to “enroll” or “add” classes. You will be prompted to click on the term, which is Summer 2018.
Once you click on the term and continue, you will receive the two questions below.

Each question has the magnifying glass/look up prompt that provides you the codes you can choose from.

Choose a code for each question according to your category.
Click Continue when you are done.

You will notice that the “hold” for the term Summer 2018 disappears and you can proceed to register based on your appointment date/time or during open registration which begins on March 7, 2018.
